# What is Title I?

Title I is the major component of the Elementary and Secondary Education Act (ESEA) and the largest Federal assistance program for our nation's schools.

## *Alachua County's Title I Mission*

The purpose of Title I is to ensure that all children have a fair, equitable, and significant opportunity to obtain a high-quality education and reach, at minimum, proficiency on challenging state academic achievement standards and assessments.

# How Title I Works?

- Title I funding flows from the U.S. Department of Education (as appropriated by Congress) to the Florida Department of Education (FLDOE).
- The FDOE allocates funds to the District.
- An equitable proportion of funds is calculated based on the number of eligible students in the participating nonprofit private school.
  - Students qualify by being eligible for free/reduced price school lunches and live in a current Title I school zone.
- Title I services are provided to eligible students who also demonstrate an academic need for support.

# Title I Funds Provide Supplemental Support to Eligible Students

Our School's Title I funds provide the following supplemental support:

- Additional Personnel to support our students and teachers
- Additional classroom materials and equipment
- Technology
- Supplemental web-based programs
